Ian McDaniel
Head Band
Director

**Jerry Scoggin &
Michael Holubec**
Assistant Directors

Welcome to the Apache Band Newsletter!

We are trying a new form of communication for everyone. We will be doing a weekly newsletter that shows what is coming in the next two weeks and any other exciting news that arises.

What's coming up this week? 8/31-9/4

Google classroom assignments:

This week we will start utilizing the classroom to record different sections in the music to make sure that you grow as a musician. So if you need your instrument from the school please contact us so that we can get that to you ASAP.

I would highly encourage you to start looking at your region music that is posted on google classroom.

Friday September 4th: Football Game against Burnet.

This game will have mostly Juniors/Seniors at the game for this event since it is senior night. The uniform will stay the same as this past week. Blue jeans, tennis shoes, black band t-shirt. You **MUST** bring your water jug to the game to stay hydrated. Other things you need are a flip folder, instrument, and a great attitude!

Seniors! If you want to wear your uniform for the senior walk you need to find time to get it out of the bandhall.

The codes change per student every week! Please do not share them with anyone else!

If the codes are being shared/passed around the privilege to order tickets early could be revoked from the band. So please use the code for your families personal use only.

Morning rehearsals are mandatory if you wish to go to the football games.

We are striving for excellence at every football game and performance that we do. This is why we are requiring that if you want to attend any football games you must be at 7:20-8:20am rehearsals daily. The same requirements will be put on the class period for the “contest band”.

The following week. 9/7-9/11

We will start our contest show this week. The show will be announced ASAP.

There will be no football game on September 11th since the football team is traveling.
