Character Strong Word of the Week: **Honesty**

**Honesty** means being free from deception, not only saying true things but living a life that is consistent.

**“If you tell the truth, you don’t need a long memory.” – Jesse Ventura**

Character Dare for the Week: **What’s Shakin’ Bacon?** When people ask about your day, instead of saying “fine,” make an effort to engage in meaningful and more intimate conversation. Don’t let those questions become “wasted conversations” where you say what you always say because it’s a habit. Take time to actually engage and share what is really going on in your school and life!

In order to have a chance to win Airpods, you must go through the cafeteria line and get a tray to eat, when you type your lunch number in you will be given a ticket to write your name on. The kitchen staff will have a box for you to put your ticket in which means you have 14 chances to add your name into the drawing. Again you must get a tray of food so you are able to receive your ticket and enter it in the box. We will be doing this for breakfast and lunch two winners for breakfast and two winners for lunch. Good luck, we hope to see more new faces in the lines!

If you are a shotput or discus thrower looking to get ready to throw far in track season, the time to start is now!
