**SUBJECT:** Public Comments

**RATIONAL SUMMARY:** 

The next item on the agenda is public comment. Before we begin, I will remind our audience members of the Board's procedures for handling public comments. The public comment portion of our meeting is available to members of the public who wish to address a meeting item on tonight's agenda or other matter pertaining to Gonzales ISD.

Anyone who wants to speak during public comment must sign in before the start of the meeting and list the agenda item they want to discuss. Each public comment speaker will be allowed a maximum of 5 minutes to address the Board. If necessary for effective meeting management, or to accommodate large numbers of individuals wishing to address the Board, we may shorten the time for each individual wishing to present comments. The public comment portion of the meeting will allow all speakers who have signed up before the start of the meeting to address the Board regarding an item on tonight's agenda. Persons requiring a translator will be given additional time.

Please keep your comments or criticisms civil and courteous. Please also avoid using profanity during your opportunity to speak. Last, we ask that you not discuss students who are not your child.

If a speaker is seeking Board resolution of a specific complaint, that concern should be addressed through the District's grievance process. District policy DGBA has been established for addressing employee complaints, policy FNG is the avenue for filing parent complaints, and policy GF address community member complaints. Grievance forms can be obtained at any campus administration office, or in the central administration offices.

In accordance with Texas Education Code 31.004, local education agencies (LEAs) are required to certify annually to the State Board of Education (SBOE) and the Commissioner that students have access to instructional materials covering all Texas Essential Knowledge and Skills (TEKS) for all required subjects except physical education.

#### C. <u>Discuss and Consider Action to approve the Gonzales ISD House Bill 3 Board Goals for Literacy, Math, and</u> <u>College Career Military Readiness (CCMR)</u>

Dr. Ysquierdo went before the board seeking approval of the Gonzales ISD House Bill 3 Board Goals for Literacy, Math and College Career Military Readiness (CCMR). House Bill 3 amends Texas Education Code to add Sec.

11.185 and 11.186 to include plans that target early childhood literacy and math proficiency and college, career, and military readiness. To meet the requirement of being specific and quantifiable, each board outcome goal needs to contain a baseline (current state), a target (future state), a population (which students will be impacted), and a deadline (month and year by when the current state will equal the future state). Annual targets must be included for each goal in addition to the five-year deadline target. It is recommended that school boards adopt progress measures to create alignment between district outcome goals and the board-adopted plans.

- Early childhood goals focus on annual growth.
- 3<sup>rd</sup> grade Reading and Math STAAR performance,
- Targeted goals for student groups under closing the gap.
- Professional development for Pre-K -3 on campuses not meeting goals with support for special programs
- CCMR plan includes annual growth charts on college career and military readiness indicators
- With board approval we will begin implementation to assure compliance reporting and bring yearly updates to the board for review.

Justin Schwausch made a motion, with a second from Gloria Torres to approve the Gonzales ISD House Bill 3 Board Goals for Literacy, Math, and College Career Military Readiness.

The motion carried 7/0

#### E. Discuss and Consider Action on a Board Resolution Extending Depository Contract for Funds of Independent School Districts Under Texas Education Code, Chapter 45, Subchapter G, School District Depositories

Amanda Smith went before the board seeking approval for an extension with Sage Capital Bank for the bank depository contract.

Senate Bill 754 amended Texas Education Code to allow the school district depository contract to be extended a total of three (3) two-year terms (prior law only allowed two (2) additional two-year terms).

GISD began a new contract with Sage Capital Bank on September 1, 2021, it is currently eligible for extension. During the initial bid process Sage Capital Bank was the front runner. There are no fees for the districts service and customer service is superior, very prompt and professional. The contract in place now expires August of this year. If approved, the bank depository contract with Sage Capital Bank will be extended through August 31, 2027. Under TEC, 45.204(b) if you are employed by Sage Capital Bank, the board member(s) should abstain from the voting process.

Ms. Smith-Wright asked if we went out for bids to extend the contract. Mrs. Smith replied that when we went out for bid 4 years ago we did, but other other entity charged fee whereas Sage Capital Bank does not.

Justin Schwausch made a motion, with a second from Gloria Torres to approve the resolution extending the contract with Sage Capital Bank, as presented.

The motion carried 5/0/2; Naomi Brown and Ross Hendershot abstained from voting.

#### F. <u>Discuss and Consider Action on Interlocal Cooperation Agreement with Nixon-Smiley Consolidated School</u> <u>District for the Cooperative Disciplinary Alternative Education Campus</u>

Amanda Smith presented to the board the Interlocal Agreement with Nixon-Smiley Consolidated School District for the Cooperative Disciplinary Alternative Education Campus.

This is the last year that we anticipate bringing this Interlocal Agreement to the board. Renovations to the west side of our admin building are scheduled to begin this year for an in house DAEP program, that was approved with our 2023 bond. Those renovations are anticipated to be complete next summer. If it all stays on schedule those programs will begin the 2026-2027 school year.

The district's agreement with NSCISD for the DAEP Cooperative will expire at the end of the current school year. The interlocal agreement that was enclosed provides service for the 2025-2026 school year.

Mr. Hendershot asked what the current estimated cost for this year is. Mrs. Smith replied with \$119, 042 and that includes 2,842 student days. \$55/per day for any overage that we incur or top of the 2800 days. Waelder ISD pays GISD \$40/day for any day that we transport 1 or more of their students. Waelder ISD drops their students off at GISD for transport to DAEP. On an annual basis that's about \$5,000 they pay us. It's about a quarter of a million dollars to this agreement.

Justin Schwausch made a motion, with a second from Josie Smith-Wright to approve the interlocal agreement, as presented.

The motion carried 7/0

#### G. <u>Discuss and Consider Actin on the Purchase of Playground Equipment for the GE and GNA Campuses from</u> <u>The KYA Group</u>

As part of the bond maintenance projects, the district's administration recommends approving the enclosed purchase of new playground equipment for the Gonzales Elementary and Gonzales North Avenue campuses. Work is expected to begin in June 2025 & be completed in August 2025.

Proposal includes:

- Demo of select old equipment
- New engineered wood fiber fall protection
- New basketball goals
- New shade structures
- New Gaga Ball pits
- New benches
- New Playground units
- New Swings at GES
- New Soccer Goals at GNA

- New coating on basketball courts

#### **BUDGET INFORMATION:**

- GNA Cost = \$219,781
- GE Cost = \$278,602
- Owner Contingency = \$40,000
- TOTAL = \$538,383

The equipment will be purchased using the TIPS purchasing cooperative and bond funds.

Naomi Brown asked about warranty on the equipment. Casey replied that there is manufactory warranty on the playground (possibly 10yrs), installation has a 1year warranty.

Josie Smith-Wright asked if the need for all slides would be necessary at North Avenue. This new equipment would be on the South Side playground. Casey stated that the principals were involved in the process for picking the equipment.

Justin Schwausch made a motion, with a second from D'Anna Robinson to approve the purchase, as presented.

The motion carried 7/0

#### H. <u>Consideration and Possible Action to Approve the Guaranteed Maximum Price (GMP) for District-Wide</u> Safety & Communication Improvements as part of the 2023 Bond Program

Casey Sledge with Sledge Engineering/ESC Region 13 presented to the board the first GMP #1 (phase 1) purchase with the maintenance side of the bond program.

In February 2024 the Board selected Weaver & Jacobs as the Construction Manager at Risk for the 2023 Bond Program. This scope of work is referenced in the Bond Program as Maintenance GMP#1 and includes new Building Identification Signage for all existing buildings and 441 new security cameras across the District. The new cameras utilize advanced artificial intelligence (AI) for surveillance and motion alerts, including facial recognition abilities. The accompanying software allows fully integrated use across multiple devices with secure log-ins. The cameras include a 10-year license for GISD.

Weaver & Jacobs opened bids for the project on 03/27/25. The coverage and response from trade contractors was very good. The quality and experience of the trade contractors is high. Once awarded, Weaver & Jacobs will mobilize in May and work through the summer on all campuses. Substantial completion is expected in October 2025.

#### **BUDGET INFORMATION**

These projects are to be funded from the 2023 Bond Funds. The GMP total for this scope is \$1,615,911 and includes \$200,000 in Owner and Contractor contingencies for unforeseen items to enable the project to proceed with minimal disruption. All Contingency funds will be tracked, and all unused funds will remain with GISD.

Ashley Molina asked if the campuses would be placed at every school and GISD facility and Mr. Sledge stated that they would be at every campus including the admin. building and Operations building.

Ashley Molina also asked what would happen if the server would go off-line? Would they still record? Mr. Sledge stated that there would certainly be back up but he could not go into further detail with that at the moment.

Mr. Hendershot asked if there would be actual servers recording the information. The cameras have a built in to control however Technology chooses.

Ms.Smith-Wright asked if every campus would have access to be able to see what's going on. Mr. Sledge stated it could be every where and even accessed from your phone or laptop if they have access to some or all of the campuses.

Amanda stated that who has access to the cameras would be an administrative procedure that the Technology Director and the Superintendent would work together to fine tune.

Ms. Smith-Wright asked who was awarded the bid. Mr. Sledge stated they did receive 3 bids for the installation of the cameras. Once the board awards the GMP Weaver and Jacobs will get the award and then they will close out and start putting their subcontractors under contract.

Naomi Brown made a motion, with a second from Justin Schwausch to approve the Guaranteed Maximum Price of \$1,615,911 to Weaver & Jacobs for District-Wide Safety & Communication Improvements as part of the 2023 Bond Program, and authorize the Superintendent to negotiate the final terms of the contract.

The motion carried 6/0/1

## Chief Financial Officer's Summary Regular Board Meeting - May 12, 2025

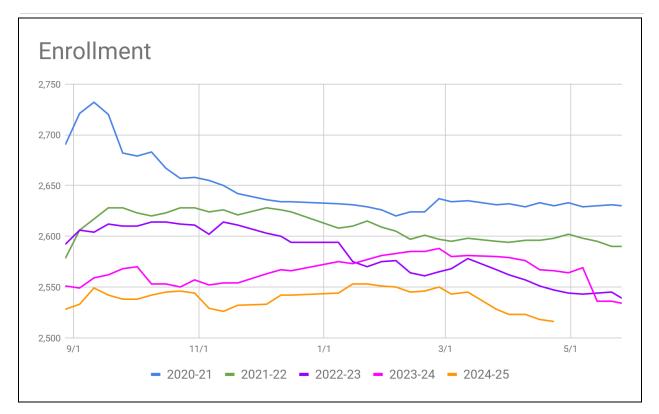

### **Preliminary Property Values Received**

Preliminary property values were received from Gonzales and Caldwell County Appraisal Districts. Overall, values are up 5% from last year's certified values.

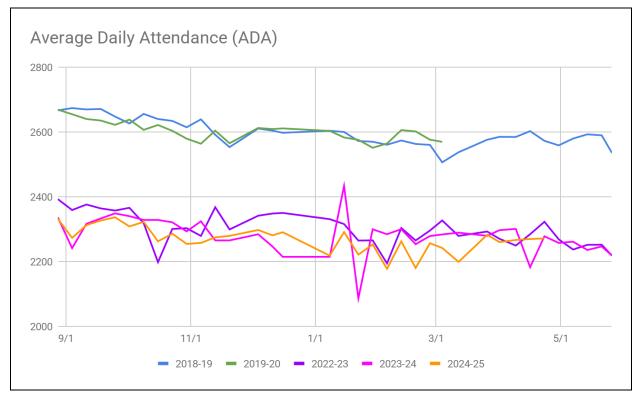

## Tax Collection Reporting

The Gonzales County Tax Office underwent a software transition. Because this new software was implemented mid-year, their system is not currently reporting total collections accurately. Two key takeaways:

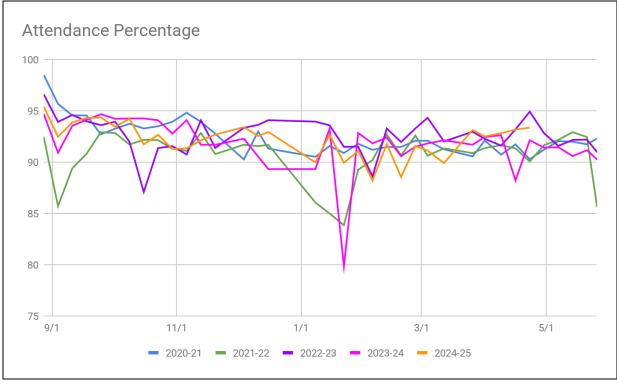

- 1) The "Levy Summary" that is typically at the bottom of the monthly report will be unavailable until October 2025 when we begin a new year in the new software; and
- 2) The uncollected balances transferred correctly to the new software so, while we are temporarily unable to compare total annual collections easily on the monthly report, the money is accurate.

Our new collections system automatically generates a report that I balance back to at the end of the month for each entities collections. This saves me from having to actually type up a manual report that I had been providing to you in the past.

It will take a while to get acquainted with, should you have any questions, please let me know.

\*the variance column is now labeled as the M&O over/short

\*the SA on the old reporting system is now a separate entity collected as PPP – these are the special assessments.

### **ACTION ITEM**

SUBJECT: Discuss and Consider Action to Name the CTE Center

**ADMINISTRATOR RESPONSIBLE:** Gene Kridler, Executive Director of Operations; Dr. Dana Arreola, Superintendent of Schools

**RATIONAL SUMMARY:** Administration recommends the board name the CTE Center currently under construction the **Tom Lester Jr. CTE Center**.

Board Policy CW (Local), requires that the board consider names that will have a significant meaning to students and the community. Two of the categories authorized for naming rights is "board members who have retired from service to the District" and "names identifying the program housed in the facility". The proposed name complies with board policy.

Tom Lester Jr. served on the GISD Board of Trustees from June 2026 to May 2018.

### SUPERINTENDENT'S RECOMMENDATION: Approve

**SAMPLE MOTION:** *"I move that the board name the CTE Center the Tom Lester Jr CTE Center."*
