**SUBJECT:** Public Comments

**RATIONAL SUMMARY:**

The next item on the agenda is public comment. Before we begin, I will remind our audience members of the Board's procedures for handling public comments. The public comment portion of our meeting is available to members of the public who wish to address a meeting item on tonight's agenda or other matter pertaining to Gonzales ISD.

Anyone who wants to speak during public comment must sign in before the start of the meeting and list the agenda item they want to discuss. Each public comment speaker will be allowed a maximum of 5 minutes to address the Board. If necessary for effective meeting management, or to accommodate large numbers of individuals wishing to address the Board, we may shorten the time for each individual wishing to present comments. The public comment portion of the meeting will allow all speakers who have signed up before the start of the meeting to address the Board regarding an item on tonight's agenda. Persons requiring a translator will be given additional time.

Please keep your comments or criticisms civil and courteous. Please also avoid using profanity during your opportunity to speak. Last, we ask that you not discuss students who are not your child.

If a speaker is seeking Board resolution of a specific complaint, that concern should be addressed through the District's grievance process. District policy DGBA has been established for addressing employee complaints, policy FNG is the avenue for filing parent complaints, and policy GF address community member complaints. Grievance forms can be obtained at any campus administration office, or in the central administration offices.
